For an in-depth review of your prerequisite course-work please email copies of ALL your transcripts to transcripts@resu.edu. To learn more about the RN to BSN program and to have your transcripts evaluated, please go to www.resu.edu and Inquire Now!

Transfer Guidelines:

- 1) Grades of 2.0 or above on a 4.0 scale completed at regionally accredited colleges or universities are transferrable. Courses must be considered college level and have been used to fulfill graduation requirements and degree requirements at the previous college or university.
- 2) Before students can begin the RN to BSN program the College Math and Statistics requirements need to be completed with final grades of "C" or better from regionally accredited schools. Only college level math courses can be used to satisfy the College Math and the Statistics requirements. Please see **UIC's Academic Advising Department** regarding taking college level math courses.
- 3) Remedial/pre-college level courses, audit, credit, portfolio credit, and proficiency scores are not transferrable.
- 4) Courses with final grades below a 2.0 on a 4.0 scale are not transferrable.
- 5) Curriculum GPA must be 2.75 or higher on a 4.0 scale.
- 6) **Important Note Course Expiration Dates:** Computer coursework for the **RN to BSN program** must have been completed no more than five years prior to the intended start date. For example, a student entering the program in the fall of 2015 must have completed the required computer courses during the fall of 2010 semester or later. †
