Please read before continuing:

This form is an unofficial guide for students who plan to transfer to the **Resurrection University RN to BSN program** and is not intended as a contract. Transfer requirements are subject to change without notice. Prospective students are expected to contact a ResU Admissions Counselor regarding any updates. **The student is responsible for verification of all transfer information.**

Please review the ResU Catalog for additional admission information:

<http://www.resu.edu/why-ru/faq>

For an in-depth review of your prerequisite course-work please email copies of ALL your transcripts to transcripts@resu.edu. To learn more about the RN to BSN program and to have your transcripts evaluated, please go to www.resu.edu and Inquire Now!

Transfer Guidelines:

- 1) Grades of 2.0 or above on a 4.0 scale completed at regionally accredited colleges or universities are transferrable. Courses must be considered college level and have been used to fulfill graduation requirements and degree requirements at the previous college or university.
- 2) Before students can begin the **RN to BSN program** the **College Math and Statistics requirements** need to be completed with final grades of "C" or better from regionally accredited schools. Only college level math courses can be used to satisfy the College Math and the Statistics requirements. Please see **Parkland College's Academic Advising Department** regarding taking college level math courses.
- 3) Remedial/pre-college level courses, audit, credit, portfolio credit, and proficiency scores are not transferrable.
- 4) Courses with final grades below a 2.0 on a 4.0 scale are not transferrable.
- 5) Curriculum GPA must be 2.75 or higher on a 4.0 scale.
- 6) **Important Note Course Expiration Dates:** Computer coursework for the **RN to BSN program** must have been completed no more than five years prior to the intended start date. For example, a student entering the program in the fall of 2015 must have completed the required computer courses during the fall of 2010 semester or later. †

Updated 8/2015 | List of courses for Math, Humanities & Social Science transfer are based on approved IAI courses, and not an exhaustive list of acceptable course work.
