

### How do I get more information on my program(s) of interest?

If you have not created your MyResU page yet, please fill out our inquiry form to create one at <http://my.resu.edu/inquiryform>. You will then be led to your personalized site that will provide detailed information on our programs, financial aid/tuition, applying, and registering for upcoming ResU events. You will also then be assigned an Admissions Counselor whom you can contact for further questions.

### How do I get a transcript evaluation?

First you will need to create a MyResU page by going to <http://my.resu.edu/inquiryform>. Once you are brought to your main page, click on the tab titled, "Getting Your Transcripts Evaluated" and follow the instructions there.

### I have foreign transcripts. How do I get these evaluated?

Have your foreign transcripts evaluated by an evaluation service through NACES, such as Education Credential Evaluators or World Education Services. You can view a full list of NACES Evaluation Services at <http://www.naces.org/members.html> (Be sure to request a course by course evaluation).

Once you receive your results, you can go to your MyResU page and follow the instructions under "Getting Your Transcripts Evaluated," or you can keep the results sealed in its original envelope and drop off to the Admissions Office (this will keep these results official so you do not have to order a second copy later when you are applying to the program).

### How do I send official transcripts for my application?

You can have your previous college/university send us official transcripts electronically to [admissions@resu.edu](mailto:admissions@resu.edu) or hand in a physical copy sealed and unopened to our Admissions Office. If these options are not available, you can have your previous college/university mail them directly to Resurrection University (Attn: Admissions) 1431 N. Claremont Ave, Chicago, IL 60622. Please note that regular mail can take several weeks for us to receive and process due to our hospital location.

### How do I schedule a campus tour or come to the next Open House?

You can register for a tour, Open House, or other information sessions through your MyResU page under the "Event/Exam Registration" tab. If you do not have a MyResU page, please create one by filling out our inquiry form here: <http://my.resu.edu/inquiryform>.

### I just have a few questions about my program(s) of interest. Who can I talk to?

Please contact the Admissions Office at 773-252-5389 or [admissions@resu.edu](mailto:admissions@resu.edu)

### How do I reach an Admissions Counselor?

Once you create your MyResU page at <http://my.resu.edu/inquiryform>, you will be automatically assigned an Admissions Counselor and their contact information will be listed on your main page.

Updated June 2019

### Does ResU offer financial aid and/or scholarships?

Financial aid includes Federal, State and Institutional grants, work study programs, loans and scholarships. To learn more about Financial Aid options, please go to <https://www.resu.edu/costs-financial-aid/>.

### How much is tuition?

Updated tuition and fees are determined each academic year. This information can be found at <https://www.resu.edu/costs-financial-aid/tuition-fees/>.

### Does ResU offer job placement after graduating?

We have staff trained and allocated specifically for students' needs in Career Services. Please visit <https://www.resu.edu/student-resources/careerservices/> for more information.
